

IT'S ALL ABOUT LOVE

Love is very powerful, yet one of the most misused and misapplied words. The promotion of our wellbeing, emotionally, physically and spiritually must find its base in love. Anything short of this leads to unfulfilled and aborted dreams, inevitably resulting in frustration and depression. And this is what has plagued the human race, and worst hit is our current society.

The love we so much profess to have, talk about and even claim to give to others is actually based on selfish motives; because we can get something back is much of why we love, once we are failed our love fades away.

How can we then obtain, retain and show love to others and even ourselves without even thinking of what to gain from it. How can we live happily feeling and knowing we are loved?

The first step is to realise that love comes from God because God is love. He is the only one that so much loves us even though we have offended him, yet he sent his only son Jesus Christ to reconcile us back to him and give us the power to love and feel loved. Without God therefore you cannot find, nor be in true love, without Jesus you cannot love nor manifest an unselfish love to others. When you allow God to show you what proper love is through his son Jesus Christ, you will live the rest of your life in happiness and true satisfaction. God loves you more than you can ever imagine. He created you; he thinks about you in whatever condition you are and really wants to extend to you his unfailing LOVE.

If you never felt loved in your life, this is a big opportunity for you to know that God loves you and wants to help you. If you have been failed in love, God's love never fails. If you have been hurt by a lover, God heals such emotional and psychological wounds and replaces the scars with his LOVE, God's love is sacrificial and unselfish. He will give you the power to forgive all those who have hurt you and to be able to love and feel loved again. If you let Jesus into your life, it will change for good.

You can say these prayers and that will mark a beginning of a new life for you.

“Father God I ask you that you forgive my sins, Lord Jesus come into my life and make me a new person. I believe that you are the Son of God and now my saviour.

Thank you for accepting me Amen”
